

# PRAYERS FOR THE FRONTLINES OF ANTI-HUMAN TRAFFICKING IN HOUSTON

## Elevate 61

- Two big corporate sponsors from past two years recently dropped. In need of financial provision.
- Prayer for a home in Northern Houston to house survivors of labor trafficking.

## Love 146

- Planning for a budget reduction in future months.
- Need to maintain relationships with clients through loss of face to face contact.

## Elijah Rising

- Sensing a lot are using this crisis to exit the sex industry.
- In need of housing options for new survivors.
- Three of their 12 staff are sick with one possibly with Covid-19.

## Refuge for Women

- For protection: Women are usually not put in a home in an area where they were trafficked; however, with the current travel restrictions they are now placing women in their home area so protection from their trafficker is a concern.
- Protection of staff health because they will continue to take in new women during this crisis.

## Redeemed Ministries

- Need a new septic system for aftercare home.

## Love People Not Pixels

- Struggling with news that Porn Hub offering free service for people staying home and what will be the outcome of that two to three months down the road.
- Praying for revival through the families at home to leave a legacy during this downtime.

## Street Grace

- Youth and job less leading to people spending much more time on internet during this time.
- Wisdom to strategically reach people at home without overwhelming them and to speak above the noise to vulnerable students.

- Evidence of online sex buying increasing during this time.

### **The Landing**

- Funding concerns.
- Concerns that with schools being out, youth will hit the streets in prostitution.

### **Unbound**

- Clients feeling antsy, financial concerns because they are losing jobs so there is the concern that they will jump ship and go back into old lifestyle.
- Sensing a connection between the fact that we are now using video chat and pornography. Praying that an awareness of the reality of pornography comes to light.
- Sensing that God is doing something big and miraculous through this time. Where God has seeped into the cracks, He is about to shine!

### **Rescue US**

- Pray for health protection for Director as she is an RN, managing this by herself and has a family at home.
- Struggling with funding.
- Wisdom for the girls who want to get off their medication without Dr. visit

### **United Against Human Trafficking**

- Funding concerns.
- Outreach teams can no longer go out into the fields. They had a strong connection so pray that the trust with the community will not lose touch or be lost.
- For understanding in telecommunications
- Canceled upcoming city meeting on Bissonnett area which had been targeted by the city. Now scheduled for June so pray that it happens.
